

THE GRILL

**THE GRILL
AT
KÜNSTLERHAUS**

On the first floor of the Künstlerhaus you will find an ambitious kitchen,
coupled with a unique ambience.

Our kitchen spoils you with grilled specialities from
Meat, fish and crustaceans and places the highest priority on origin,
seasonality and sustainability of the products.

We leave the creation of your desired menu to you.
According to your taste, you can choose from the seasonally changing menu for
different types of meat, side dishes and sauces,
which we are ideally suited for sharing, serve in copper pots and small pans.

THE GRILL is cool without appearing sterile and classy without being stiff.
The interior creates the contrast to the traditional “Künstlerhaus”.

The long window front opens up the view of the “Lenbachplatz” and
gives a touch of city flair.

From spring onwards, the 120 seats in the interior will once again be
another 90 seats on our beautiful, urban roof terrace above the courtyard.

Framed by the listed buildings of the “Künstlerhaus”
experience unforgettable summer evenings with unadulterated pleasures.
